Personal Assistant in Care

The Course

Step Into a Rewarding Career as a Personal Assistant in Care.

This two-day short course is your perfect introduction to working as a Personal Assistant in the Health and Social Care Sector. Learn how to provide personalised care that fits the lifestyle and needs of individuals in their own homes.

What you'll cover:

- > A Guide to Being a Personal Assistant in Care – Explore the role and its responsibilities
- > Active Listening Techniques – Develop essential communication skills for person-centred care
- > Personal Budgets – Understand how care plans and funding work
- > A Framework for Working in Adult Social Care – Learn the standards and practices shaping the sector

Why join?

- > Get an overview of this vital and rewarding role
- > Gain practical knowledge to kickstart your career
- > Meet employers at the end of the course and explore real job opportunities
